FLASH-BACK SERIES #1

Games Inspired by Iconic Photographs

*In 1932, when an advertising agency sent a photographer on assignment, it was not customary to attribute authorship to their works. The taking of **Lunch atop a Skyscraper** was no exception.*

FAMILY 2-4 30' +12

In the game, you take on the role of a photographer competing to complete an assignment for an advertising agency: achieve the highest score by taking the photograph!
